2012 Utah Homeless Summit Case Manager Award

The State Community Services office recognizes the vital role of the direct service Case Manager. This award recognizes case managers within the service provider network that exemplify the qualities of an outstanding case manager and a commitment to both the people they serve and the mission of the organization they support. For successful community living many individuals rely on case management as the critical component that assures that vital human service needs are met and consumer desired outcomes are achieved.

We ask that each service provider organization nominate one case manager for recognition and submit a brief narrative (one page limit) with background on the nominee and why they have been nominated in terms of their qualities and impact as a case manager. Please speak to any of the following qualities:

- Communication Skills
- Passionate
- Resourceful
- Flexible
- Accessible
- Respectful
- Time Management Skills
- Advocacy
- Other qualities
- ...And their demonstrated effectiveness at serving and improving the lives of those in need...

Please Submit to Jayme Day via email (jday@utah.gov) or mail (140 East 300 South, 4th Floor Salt Lake City, UT 84111) by **Thursday, October 25th at 5pm** in order to be considered.

A committee of community members will review the applications and the recipients will be recognized at this year's Homeless Summit on November 8th at the Sheraton Hotel. Go to <http://housing.utah.gov/scso/index.html> for more information about this year's Summit.

Thank you for your time and consideration to recognize those that make an impact in our Community.
